

LE SANG DES SEIGNEURS

Côtes-du-Rhône Vieilles Vignes

A Côtes-du-Rhône of character that brings together roundness and silkiness. Blend of old vines, this generous wine expresses the Provençal *terroirs* where the grapes grow under the southern sunshine. It is aged in concrete vats for 6 to 9 months.

An expressive, rich and complex red wine with a nose of stewed red fruits and spicy notes. Its mouth is fruity, well-structured but supple with a delicate peppery finish.
