

AOC St-Joseph - Condrieu

## Sainte Joseph *Muletiers Red*

Harvested by hand. Destemming depends on the year. We always keep 30% of the stems to aid in the vinification.

Low yields (30 hl/ha). The cap is punched over three times every day. Maceration lasts about 25 days.

Aging takes place over 15 months in new(20%) and old oak barrels.

Varietal	Syrah 100% Average age of 40 years
Soils	Exclusively granite
Robe	Intense purple color
Nose	Wild black forest fruits, and black olive tapenade
Palate	Long, rich and fresh palate
Serve	T° 16 °C
Potential aging	5-10 years
Yields	30 hl/ha
Alcohol	13°

This wine is excellent to accompany duck, wild boar, and smoked meats.
